

Revised - January 12, 2015

Public Works Department

STREET SWEEPING PROGRAM

The City of The Colony plans to provide street sweeping services throughout the City as follows.

Under this new schedule, all residential streets will be swept on a fixed schedule each month, rather than the rotating schedule we used in the past. It is our goal to sweep residential streets at least 10 times per year. In the event weather or equipment problems prevent us from completing an area during a scheduled week, the remaining streets will be skipped and service will resume the following week in the next scheduled area.

Regular street sweeping not only helps to beautify our City, it also significantly improves the water quality of storm water runoff. The Colony's street sweeping program is one of many services funded by the Storm Water Utility Fund, which was enacted in 2004.

GEOGRAPHIC SWEEPING AREAS

Area 1 - Southeast

South of N Colony and East of Paige Road

Area 2 - Mid South & Southwest

South of N Colony between Paige and Main Street and West of Main, between Hetherington Drive and South Colony Drive

Area 3 - Northwest

West of Main and North of Hetherington

Area 4 - Northeast

East of Main and North of N Colony
